We're Marathon Kids...

READY, SET, RUN

The journey to completing a marathon begins with a commitment to run. Tracking miles over the course of several months, Marathon Kids makes it possible for every kid—from any starting point—to run a marathon. Or two. Or three. Or four. Maybe more.

Sound crazy? It's not.

Marathon Kids running clubs have proven effective—even transformational—for millions of kids, organizations, schools and families. Kids of all levels and abilities run a lap at a time, a day at a time, and before they know it they've gone farther than they ever dreamed. And they keep on running.

In the spirit of helping kids to realize their greatest potential, Marathon Kids and Nike have teamed up to take this youth running program to the next level. There's never been a better time to join.

Ready to get kids moving? Starting a running club is as easy as lacing up your shoes. Let's go!

SURPRISINGLY SIMPLE, TOTALLY FUN

Marathon Kids is for any child who wants (or needs) to move. Each Marathon Kid makes a commitment to run. They set goals. They track their progress. They challenge themselves.

Marathon Kids' runners are inspired to keep pace by earning special Nike rewards for every marathon they complete.

Deep down, it's about much more than the prizes, though. Kids gain self-confidence. They proudly see themselves as athletes—maybe for the first time. They become motivated to eat (and be) healthy off the track. They feel great. And they have fun doing it!

...And We Need You

RUNNING—IT'S SO SIMPLE. BUT IT CAN TRANSFORM A KID'S LIFE. IT CAN CHANGE YOURS, TOO!

By becoming a Marathon Kids Coach, you'll launch kids on a life-changing journey to run four marathons. You might even join them. And they'll have fun the entire way.

Getting kids active at a young age is game changing. The research has proven it. Our early years are crucial for creating a lifelong commitment to physical activity—and establishing the confidence, will power and emotional well-being that comes with it.

We need passionate leaders. We need people who care about kids—about improving their lives and enriching their community.

WE NEED YOU.

The information in this Pre-Registration Packet will guide you through the process of starting your very own Marathon Kids running club.

We're glad you're here—and the kids will be, too. Together, we can transform their future and inspire their full potential.

Invite the Community to Run with You

With your season details set, now is the time to invite your community to join your run club. Below are tips to recruit runners, as well as parents and volunteers to help coach the club.

REACHING KIDS & PARENTS

When inviting kids to join your Marathon Kids running club, be sure they know that everyone is invited. They don't have to be the fastest, run farthest, or have perfect form—but they have to be willing to try. They are the kids who are motivated to set a goal and do their best to work toward it.

Online -

- Send an email
- Post on social media (Twitter, Facebook)
- Post on neighborhood groups (listservs, newsletters)

Flyers – Post flyers at parks, stores, places of worship and other community spots .

At Schools – Put a message on your school marquee, school website, in your kids' take-home folders and on morning announcements.

Information Session – Host a simple session in your community to tell people more about your Marathon Kids running club.

Community Events – Host a booth or pass out flyers at events in your community.

VOLUNTEERS

Social support is a great way to ensure that your club runs smoothly and encourages lifelong healthy habits. Consider asking parents, friends, coworkers or neighbors to be your running club volunteers. Specific roles can be found in the [Coach's Guide](#).

Up to four additional Coaches and volunteers can get official Marathon Kids Coach t-shirt. Make sure to **keep track of your volunteers' names, contact information and T-shirt sizes.** (fill in names below)

FAQs

WHY A RUNNING CLUB?

Running clubs are easy to set up and require little to no equipment. Running clubs are inclusive, allowing everyone to move and set individual goals. At Marathon Kids, we've seen how running clubs bring the community together and jump-start healthy, long-lasting change.

WHY A MARATHON KIDS RUNNING CLUB?

Simply put, we're the best. Our staff has dedicated their careers to achieving our mission: improving the health of children by providing them with the tools, motivation, and support to live happier, healthier lives. Since 1995, Marathon Kids has thoughtfully worked with schools, families and communities to implement our fun, simple and effective running clubs. Among the many things that set us apart, here are three you should know about:

1. Our programs have been proven effective through **world-class research**, enabling us to create the following framework pillars on which we base everything: Goal Setting, Group Tracking, Social Support, Modeling, Celebrating, and Rewarding.
2. Our program is **customizable** to fit your community's needs. We will give you all of the **tools and resources** you need to be successful.
3. Our **participant rewards** are the best in the business. Kids love them and will be motivated to reach their goals in order to earn them.

HOW DOES A RUNNING CLUB WORK?

During the running club Kickoff Ceremony, each runner sets a goal of completing the distance of four marathons (104.8 miles), incrementally, over the duration of the running club season. Each time the club meets, participants run or walk during an allotted period of time. After each session, runners track their distance on a Marathon Kids Mileage Log. Once runners accumulate the distance of one marathon (26.2 miles) they are rewarded for their physical activity accomplishment. Rewards are also earned by runners accumulating the distance of two, three and four marathons. During the running club Finisher Celebration, all participants are recognized with a certificate for their accomplishments, no matter how far they ran.

FAQs

WHY 104.8 MILES?

Through our research on youth running and moderate-to-vigorous physical activity, we have set an achievable goal of 104.8 miles, incrementally, based on the reality that nearly every kid should be able to complete at least one mile within 20 minutes. As they continue to run over the course of the season, their mile time will improve. We suggest having at least 60 sessions over the course of your running club season in order for the majority of your participants to reach 104.8 miles. We will provide you with session cards, which will break down the participants' mileage goal for each session, keeping everyone on pace to reach their goal. No matter the distance reached, all children will be celebrated.

WHAT IS A KICKOFF CEREMONY?

The Kickoff Ceremony marks the official day your running club begins and is key to the success of your season. According to Marathon Kids research, the support and encouragement runners receive during the Ceremony has been proven to motivate them throughout their season. The Kickoff itself can be as small as a normal running club session or as big as a community-wide event.

WHAT IS A FINISHER CELEBRATION?

The Finisher Celebration is the official final day of your running club season. Similar to the Kickoff Ceremony, our evidence-based framework has proven the effectiveness of this event at motivating kids to continue running even after their season ends. Your runners deserve a huge celebration for accomplishing their goals.

WHO CAN PARTICIPATE IN A MARATHON KIDS RUNNING CLUB?

Kids ages 4 and up (Pre-K–12th grade) of all fitness levels are welcome to join.

WHAT'S THE IDEAL SIZE OF A MARATHON KIDS RUNNING CLUB?

There are Marathon Kids running clubs as small as five kids and as large as 1,500. Consider things like time commitment, running space and number of volunteers needed to ensure a positive experience for all participants.

WHO LEADS THE MARATHON KIDS RUNNING CLUB?

Every running club needs a Coach to act as the leader in charge of organizing, motivating and encouraging runners to go the extra mile. No prior experience is necessary. This can be anyone—a teacher, parent or volunteer from the community.

FAQs

WHAT DOES A RUNNING CLUB SESSION LOOK LIKE?

The agenda for each session is left up to the Coach. Marathon Kids will provide optional session-by-session plans for Coaches that include a theme of the day (think pace or form), a warm-up activity, running/walking distance goal, a cool-down activity and mileage tracking.

WHAT DOES AN OFFICIAL MARATHON KIDS RUNNING CLUB GET?

Each registered running club will receive:

4. **THE COACH'S GUIDE.** This includes all the tools and resources a Coach will need to lead a successful Marathon Kids running club.
